	Θανατοψις (Thanatopsis)		
மு	William Cullen Bryant, 1794-1878		٩
டு	TO UIM and a first the large of Nictory helds		ភា
	TO HIM who in the love of Nature holds Communion with her visible forms, she speaks		
۵	A various language; for his gayer hours		G
ଜା	She has a voice of gladness, and a smile		ெ
	And eloquence of beauty, and she glides	5	
ل	Into his darker musings, with a mild		S
តា	And healing sympathy, that steals away		ெ
븸	Their sharpness, ere he is aware. When thoughts		
۵	Of the last bitter hour come like a blight	10	G
៣	Over thy spirit, and sad images	10	ெ
븰	Of the stern agony, and shroud, and pall, And breathless darkness, and the narrow house,		
g	Make thee to shudder, and grow sick at heart;—		ப
	Go forth under the open sky, and list		G
벨	To Nature's teachings, while from all around—	15	
டு	Earth and her waters, and the depths of air—		ப
	Comes a still voice—Yet a few days, and thee		
۳	The all-beholding sun shall see no more		G
டு	In all his course; nor yet in the cold ground,	• •	G
	Where thy pale form was laid, with many tears,	20	
மு	Nor in the embrace of ocean, shall exist		٩
എ	Thy image. Earth, that nourished thee, shall claim Thy growth, to be resolved to earth again,		ហា
믬	And, lost each human trace, surrendering up		
g	Thine individual being, shalt thou go	25	ك
តា	To mix forever with the elements;		តា
믬	To be a brother to the insensible rock,		
٥	And to the sluggish clod, which the rude swain		S
៣	Turns with his share, and treads upon. The oak	• •	9
븸	Shall send his roots abroad, and pierce thy mould.	30	
[ما	Vot not to thing starnal resting place		G
M	Yet not to thine eternal resting-place Shalt thou retire alone, nor couldst thou wish		9
븰	Couch more magnificent. Thou shalt lie down		
G	With patriarchs of the infant world,—with kings,		G
	The powerful of the earth,—the wise, the good,	35	9
빌	Fair forms, and hoary seers of ages past,		
டு	All in one mighty sepulchre. The hills		G
	Rock-ribbed and ancient as the sun; the vales		
۳	Stretching in pensive quietness between;		
Ο			DDO

oper	Decelee	ICOCO	
டு	The venerable woods—rivers that move	40	டு
	In majesty, and the complaining brooks		
	That make the meadows green; and, poured round all,		Ľ
ெ	Old Ocean's gray and melancholy waste,—		ு
	Are but the solemn decorations all	45	
۵	Of the great tomb of man! The golden sun, The planets, all the infinite host of heaven,	4)	G
ត្រា	Are shining on the sad abodes of death,		ு
	Through the still lapse of ages. All that tread		
۵	The globe are but a handful to the tribes		G
	That slumber in its bosom.—Take the wings	50	
	Of morning, pierce the Barcan wilderness,		
G	Or lose thyself in the continuous woods		ு
	Where rolls the Oregon, and hears no sound,		
	Save his own dashings,—yet the dead are there:		Ľ
ത	And millions in those solitudes, since first	55	ட
	The flight of years began, have laid them down		
۵	In their last sleep—the dead reign there alone.		۵
ភា	So shalt thou rest; and what if thou withdraw In silence from the living, and no friend		ា
	Take note of thy departure? All that breathe	60	
G	Will share thy destiny. The gay will laugh	00	g
	When thou art gone, the solemn brood of care		
	Plod on, and each one as before will chase		
டு	His favorite phantom; yet all these shall leave		ு
	Their mirth and their employments, and shall come	65	
	And make their bed with thee. As the long train		۳
ភា	Of ages glide away, the sons of men,		ட
	The youth in life's green spring, and he who goes		
١	In the full strength of years, matron and maid, The speechless babe, and the gray-headed man—	70	ம
ភា	Shall one by one be gathered to thy side	70	ធា
	By those, who in their turn shall follow them.		
۵			ப
ត្រា	So live, that when thy summons comes to join		៣
	The innumerable caravan which moves		Ë
ل	To that mysterious realm, where each shall take	75	ŋ
	His chamber in the silent halls of death,		ឲា
	Thou go not, like the quarry-slave at night,		
ட	Scourged to his dungeon, but, sustained and soothed		g
	By an unfaltering trust, approach thy grave Like one who wraps the drapery of his couch	80	
	About him, and lies down to pleasant dreams.	00	Ľ
